SHORTHORN DISPERSION SALE

LAPEER, MICHIGAN
Thursday, April 20, 1950

SALE AT 1 P.M., E.S.T.

General Information

HEADQUARTERS:

Sale Headquarters will be at the Barrett Hotel, Lapeer, Michigan.

TIME:

Sale will be held on Thursday, April 20th at 1:00 p.m.

LOCATION:

Lapeer County Center, Lapeer, Michigan, just two blocks from the intersection of paved Highways M-21 and M-24. Lapeer is situated 20 miles east of Flint and about 50 miles north of Detroit.

BIDS:

Those wishing to buy at this sale and find it inconvenient to attend, may send buying orders to Ed Huff of the Shorthorn World, 16 South Locust St., Aurora, Illinois or to Stanley Perkins, Eastern Representative of the American Shorthorn Breeders Ass'n., or the Auctioneer Mr. C. D. (Pete) Swaffer, 1111 South Pittsburg, Tulsa, Oklahoma.

Michigan State Sale, East Lansing, April 22. Plan to attend both of these sales. We will be glad to assist in assembling cattle purchased in either sale.

AUCTIONEER:

C. D. (Pete) Swaffer, 1111 So. Pittsburg, Tulsa, Oklahoma.

BRING THIS CATALOG TO SALE

Terms - Conditions - Guarantee

1. The terms of the sale are cash.
2. Each animal will be at purchaser's risk as soon as bid off, but will not be delivered until settlement has been made. Cattle will be cared for and loaded free of charge, but at purchaser's risk of loss or injury.
3. The herd is accredited for Tuberculosis and all animals in the sale will have passed a Bang's test within 30 days of the date of sale. Health certificates will be furnished for shipment to any state.
4. A certificate of registry and transfer will be furnished for each animal sold as a separate lot and properly signed applications will be furnished for the registry of all calves at foot and all unborn calves.
5. All bulls in this sale are guaranteed breeders if not allowed to run with the herd and if maintained in as good condition as when purchased. In case a bull fails to meet the guarantee, notice must be given within six months of the date of sale. The purchaser price, without interest, will be refunded in case bulls fail to meet the guarantee and the disposal of the animal will be at the option of the sellers.
6. Cows with calves at foot are considered breeders and no further guarantee is given. All females over 16 months of age are guaranteed breeders. Animals returned to the seller if they fail to comply with the guarantee will be at buyers cost of transportation and no charge for feed or maintenance will be made by either buyer or seller. Any cattle in this sale fitted for exhibition by their new owners shall be excluded from this guarantee.
7. Announcements from the auction box will take precedence over printed matter in the catalog.
8. The above terms and guarantee constitute a contract between A. W. Leslie, the seller, and the buyer of each lot. Neither the auctioneer or persons delegated as Clerk assumes any liability, legal or otherwise.
9. All persons who attend this sale do so at their own risks and the owner assumes no liability, legal or otherwise, for any accidents that may occur.
10. Breeding dates will be announced from the auction box.

Foreword

A few weeks ago I had the pleasure of visiting Albert W. Leslie and his family in their home. At that time I inspected the entire offering in this complete dispersal sale. It is my feeling that our Shorthorn Fraternity loses a valuable breeder and booster through this event on April 20th.

The herd which had been bred up and developed at Riverside Stock Farm has consistantly been a profitable enterprise for the Leslie's. Today the herd is better than ever before. Included in the offering are seventeen cows with good calves at foot which is plenty of evidence of the producing ability of the herd. The cattle will not be highly fitted but in healthy, vigorous working condition. They are ready today to start a profitable business for you. The herd bull, Emblem Predominant, carries the most fashionable bloodlines and is an individual of modern type being smooth, blocky and of easy fleshing qualities. All of the bred females will carry his valuable service with the exception of five bred heifers which are bred to Majestic Remembrance by Collynie Remembrance. Also included in the offering are two daughters of the grand breeding bull, Royal Edwin.

Only in dispersal sales are the top producing females ever offered for sale. Plan now to attend and select from the kind that have been money makers for Albert W. Leslie. Remember ... Shorthorns possess that desirable feature ... extra weight for age, which means more dollars at the end of the year.

Ed Huff, The Shorthorn World

From The Owner:

Due to a change in farming operations we have decided to disperse our herd of Shorthorns which have been maintained on the farm for a great many years.

The entire herd is in excellent state of health and altho this is a complete dispersion the cattle sell fully guaranteed. They have been bred and raised under natural farm conditions without pampering and have not been fitted for this sale but they are a working herd of cattle which have always shown a profit and should do well for their new owners.

We extend you a special invitation to be our guest and to inspect the cattle in this dispersion on Thursday, April 20th.

We hope you can come early and look over the cattle before the sale.

A. W. LESLIE

Decker, Michigan

It is regrettable we do not have a good photograph of this bull. He is one of the best young bulls in America and should certainly go to a good herd. His Dam and Grandam are two of the best cows in Ontario. He will be hard to beat in the 2 year old class at next season's shows. Most of the cows in this sale will be carrying his service.

Note the breeding of this cow. Sells with red bull calf at foot and rebred.

Make Your Grain Worth More By Feeding It To Good Livestock

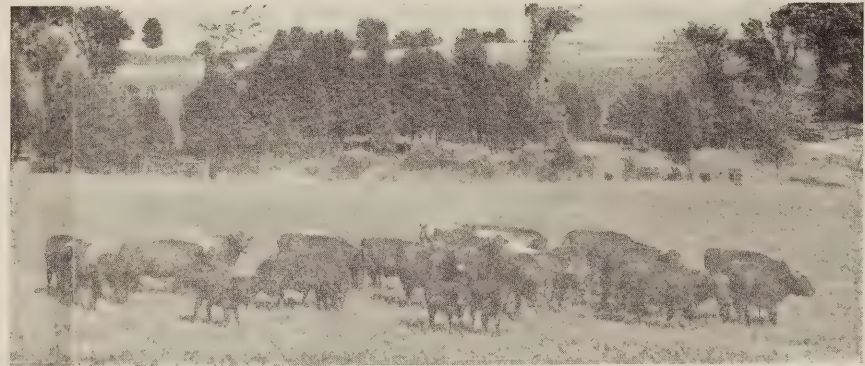

We are heading into a period when the wise farmer will be marketing his grain through good livestock. Cows have only one calf a year ... therefore beef numbers cannot change appreciably. As a matter of fact, beef cattle numbers continue to decline while the human population rises. This means that the beef industry will be in a favorable position in relation to other farm products.

A FEW IMPORTANT FACTS TO CONSIDER

SHORTHORNS ...

The Ideal Breed For The American Farm

Yes, everywhere farmers are turning to Shorthorns because they have proved through experience that they are the ideal beef breed for the American farm. In addition to their superlative beef characteristics such as extra weight-for-age, marvelous width, depth and thickness, the Shorthorn female supplies ample milk to give her calf its needed healthy start in life ... and this factor is increasingly important where low cost production on limited acreage is concerned. Many more good herds are needed to satisfy the increasing demand on the range and on the farm for weight-for-age producing Shorthorns. Increase your capacity to produce them by buying the valuable foundation females offered in this sale.

A group of Shorthorn females in pasture. Scenes like this are typical on many American farms. Farmers everywhere are finding that Shorthorns, through their extra weight for age and heavy milking qualities, are ideally suited for their program.
